FLY YOUR EXOPLANET ON TESS

INSTRUCTIONS

WHO: All ages and skill levels are welcome, minors (under 18) must have permission of a parent or guardian to participate.

WHAT: Your submission may take the form of a sketch or graphic in the provided template ([link to PDF](#)).

WHY: Submissions will fly aboard the TESS spacecraft while it searches the sky for new worlds outside of our solar system (called exoplanets). *(By submitting, you give NASA permission to download it, share it in an online gallery and include it on the drive being sent to space.)*

WHEN: The ***deadline for submissions is March 1, 2017 or when capacity of the drive that will carry submissions to space is reached***, whichever occurs first.

HOW: Email your contribution to: GSFC-TESS@mail.nasa.gov

Your submission may be shared by NASA after it is received via your email on Twitter (@NASA_TESS), Facebook (<https://www.facebook.com/NASATESS>) and on the TESS website (<https://tess.gsfc.nasa.gov/>). Please let us know if you have a username to tag if your art is selected to be shared by us in social media.
